ACTIVITIES

BACK TO SCHOOL

After over two months of relaxation and sun, Raiders once again plunged back into the turbulent waters of the school year. New students were welcomed to the Rummel community at Orientation, everybody picked up the tools of their trade on book distribution days, and on August 22, classes resumed. The first community mass and the Back-to-School dance brought the beginning to an end, and another nine month journey had begun.

ORIENTATION

The rather frightening transition to a new school for incoming eighth and ninth graders is made considerably less daunting by the efforts of the Big Brothers, under the direction of Mr. Clyde Gravois. Talks by students, skits addressing concerns of the new Raiders, a tour of the school, and other activities ease the novices into the hectic world of Rummel.

POSTER NIGHTS

As evening falls on Tuesdays during football season, and weary players head home to hit the books instead of tackling dummies, squads of eighth and ninth graders fill the halls of Rummel to do their bit for victory — Poster Nights. Aided by their Big Brothers and faculty members, the young Raiders anticipate the next game with their spirit and artistry as they produce colorful posters of twisted Tigers and bludgeoned Blue Jays.

HOMECOMING

Change was the hallmark of this year's Homecoming activities. Not only were the festivities held unusually early in the football season, but also the size of the court was reduced from ten to six members.

Queen Aimeé Hardin presided over the court, whose activities began on September 30th with the traditional bon fire, pep rally, and gym dance. Because of a typical New Orleans "monsoon" it wasn't until two weeks later, during half-time of the Jesuit game, that the entire court was presented. They were escorted by members of the Alumni Association.

The other members of the court included Elizabeth Aymami, Tracy Estes, Alison McGar, Sherrill Sutherland, and Holly Valenti.

The court was presented at the November meeting of the Parent Boosters meeting, and activities drew to an end in December at the Homecoming Semi-Formal.

RING DAY

Despite an approaching mid-September hurricane, the Class of 1989 gathered at St. Rita's Church for the all-important tradition of Ring Day. Mr. Roch Weilbacher delivered a moving speech to the seniors, relating his own days as a senior and the meaning his ring held for him. The following night at the Magnolia Plantation, the band *Rare Form* entertained Rummel's "top guns" and their ladies at the Ring Dance.

FATHER-SON MASS

On the last Saturday in September, Raiders and their dads took a prayerful break from the usual hurly-burly as they gathered for Mass in the Rummel gym. The annual event stressed the bonds between father and son and the importance of this bond to the Raider community. Following the services, the Parent-Boosters served a continental breakfast.

Several of the mothers and their sons shared personal reflections on their relationship in this service dedicated to Mary, Queen and Mother of Christian Schools.

Freddy Krueger rubbed elbows with Pete's Dragon in Rummel's halls, and vampires sat next to werewolves in class as Operation Oddball started Raiders' creative juices flowing. PEP RALLIES

It's Friday afternoon and you've had a week that seemed like a month. You want to let off some steam and get a little wild. No problem, and you don't even have to wait till school's out — if you're at a Raider pep rally. Strategically scheduled during the year, these explosions of community noise, embellished with music, cheerleaders, and speakers, rev up Raider spirit before athletic contests.

OPEN HOUSE

"With well over a thousand visitors, this year's Open House was by far the biggest ever," commented Mr. Joe Serio, who headed the planning for the event. Seventh and eighth graders considering Rummel for high school visited extracurricular exhibits in the gym, viewed a slide presentation, and toured the entire school. Refreshments were served in the cafeteria to finish the evening, as Rummel once again proved that "the best is close to home".

TURKEY BOWL

A tradition born only last year continued at Rummel as Eighth and Ninth Graders' homerooms clashed in a weeklong intramural touch football tournament. Mr. Ferry's squad from Homeroom 66 took top honors and received the dubious honor of battling a crack squad of teachers in the Turkey Bowl. Despite a valiant effort, the students were dropped 32 - 13 by the faculty.

The junior division crown was captured by Mr. Ferry's 66A and the Big Brothers of Mr. Gravois' 51D went 10p0 to take the Senior Division title.

INTRAMURAL BASKETBALL

As February shorted out and March rolled in, homerooms again plumbed the depths of athletic competition --- this time in basketball. Competition raged for three nights and when the smoke cleared, Mr. Ferrara's homeroom 13 had taken the junior division title and Mr. Lipps' lads of 34 had seized senior honors. Mr. Richard moderated the event and faculty members refereed the action.

RUMMEL-CHAPELLE CHALLENGE

In another hotly contested evening of volleyball, the Raider contingent emerged victorious in two of the three contests against sister school Chapelle. Rummel's senior team demolished the Chipmunks 2-0 and the faculty squad managed a come-from-behind 3-2 victory. The girls managed to avert a shutout with a 2-0 win over the Raider junior team. Children's Hospital was the biggest winner, as over $2000 dollars were raised for the institution by the event.

DANCES

Whether at the Back-to-School Dance in August, the Rummel Day Dance in April, or any of the other four gym dances held in between, Raiders jumped at the chance to show off their "happy feet" with girls invited from area schools. STUDENT COUNCIL WEEK

Although hampered by several days of torrential rain, Student Council Week again proved a great success. Raiders spent their lunchtime breaks competing in a variety of whacky games, showed off their tackiest ties and hats, and vied for their levels in the Spirit Jar sweepstakes. The week ended with the traditional senior-faculty volleyball game.

LUNCH

Whether Raiders are in the mood for grabbing a hot lunch, catching some rays in the commons, hitting the books in the library, or just resting up for afternoon classes, one of Rummel's three lunch periods is the ideal time for it. Some Raider eighth and ninth graders used the time to reintroduce the yo-yo to the campus after many years' absence.

The "Six-P Principle" is put into effect every April, as freshmen, sophomores, and juniors take the first steps in planning their next year by scheduling classes. FOOTBALL

It was a creditable season for the Raider football team, even though playoff hopes were thwarted by critical losses to powerful district foes. The first half of the season, in particular, featured some of the best football seen around Rummel in some time.

In late August at the Christian Brothers Jamboree, Rummel squared off against Cohen. The Raiders dominated both offensively and defensively on their way to 30-0 victory. Scores were registered by Brad Burckel, La-Keith Simons, John Roberts, Paul Heath, and Troy Jeansonne.

The regular season began in September with another victory, this time 34-0 against Ponchatoula. Burckel tossed for two TD's in the first quarter: one to Heath for 33 yards, the other to Brian Corliss for 38. Simmons added 12 points on a 55-yard punt return and a 6-yard run, and Stephen Rivera scored from 10 yards out. The offense rolled up 323 yards, with Simmons accounting for 63, and the defense held the hapless Greenies to only 80 yards total offense.

Victory was still the order of the day the next week in a game delayed by Hurricane Florence. The Raiders cranked out 294 yards rushing, with John Roberts accounting for 93, on their way to a 16-0 drubbing of South Terrebonne. Jeff Viosca drilled a 26-yard field goal, and Ryan O'Shaugnessy blocked an S.T. punt to set up a 5-yard TD run by Paul Heath. QB Brand Burckel topped the scoring with a 1-yard plunge, and Mark Casanova sealed the shutout with a last minute interception.

Mid-September brought a road trip to Hammond to face the Tornadoes, and the Raiders' winning combination of a potent rushing game and stingy defense added

another one to the win column — this time 34-7. Hammond managed to eke out only 117 yards, while Rummel slammed out close to 400, with 327 on the ground. Simmons, Roberts, and Burckel each scored once, Simmons accounting for 134 rushing yards, and Paul Heath tallied twice. Scott Guillory was good on 4 of 5 PAT's.

Now standing 3-0 in regular season play, the Raiders next turned their talents to the real meat of their schedule — district competition.

The game against DeLaSalle was a real cliffhanger. Behind 6-21 at halftime, the Raiders stormed back with 22 points in the second half and held the Cavaliers scoreless to take the win, 28-21. Burckel scored twice, and Roberts and Heath each added a TD apiece. Rick Ely sealed the win when, with only a minute left, he intercepted an errant Cav aerial at Rummel's goal line.

The Holy Cross Tigers were next on the Raider agenda, and the outcome was consistent with the season so far. After a 45-yard kickoff return by Charles Rohm, Burckel hit Heath for a 15-yard touchdown. Later, Burckel connected with Blake Puneky on a 66-

yard scoring play, bringing the score to 21-13. In the third quarter, LaKeith Simmons sprinted 86-yards for the Raiders' final, and winning score.

Fortunes changed for the Raiders a week later, as they faced a powerful squad from Jesuit. The bigger Blue Jays outmuscled Rummel on their way to a 37-24 victory, dropping the Raiders to 2-1 in district. Even in defeat, the Raiders had some bright spots, including a 74-yard punt return by Simmons, a 47-yard interception and run by Ely, and a 57-yard Burckel to Simmons TD pass.

The loss took some of the wind out of Rummel's sails, and the letdown showed the following week against Shaw, as the Raiders fell 38-21 to the Eagles. Burckel did manage two scoring passes, and the defense captured three interceptions in the losing effort.

St. Augustine was next, and the powerful Knights managed to hang on to drop the Raiders, 21-20. John Roberts' 1-yard plunge gave Rummel its only score until the last seven minutes of the contest. Then the Raiders exploded. Burckel connected twice, to Kevin Meibaum and LaKeith Simmons, to narrow the margin to one

point. Although the Raiders did manage to recover their on-side kickoff at mid-field, they were unable to mount a last-second scoring drive and dropped to 2-3 in district.

Overcoming the temptation to let down after three straight losses, Rummel stormed back to victory the next week against the Chalmette Owls. Two TD passes from Burckel to Meibaum, a 10-yard run by Simmons, a 5-yard score by Stephen Rivera, and four perfect PAT's gave the Raiders the winning margin. Scott Hamann picked off an Owl aerial at Rummel's 5-yard line to end the opponent's final drive and sew up the 28-21 victory.

The final game of the season found the squad virtually eliminated from any playoff hopes, but Raider Pride still shone through in a heartstopping 7-6 loss to Brother Martin. The Raiders took the lead on a well-executed drive culminating in a 1-yard score by John Roberts. Unfortunately, the vaunted Crusader offense came back to score and lead by a PAT. A missed Raider field goal with 22 seconds left gave the victory to Martin and ended Rummel's season at 6-4 overall, and 3-4 in district.

SWIMMING

The 1989 Raider Swim Team, coached by Mrs. Annette McDonald and led by co-captains Geoff Douville and Glenn Welch, had one of their most exciting seasons ever.

In the City Relay Meet, the swimmers placed third overall and finished the dual meet season with a record of 3-2, placing them third in district. During the dual meet season, the Raiders won the Alexandria Invitational, the Holy Cross Invitational, and the Vandebilt Invitational. At the City Championships the watermen finished third and at the state level, ended the season in fifth place.

Fourteen of eighteen swimmers qualified for state, where freshmen Lance Coy was state champion in the 100-yard backstroke, setting a new school record and All-American Consideration time of 0:55.2. Lance also finished fourth in the 50-yard freestyle.

Three other school record fell this year, to George Rucker in the 500-yard freestyle; Glenn Welch, Geoff Douville, George Rucker, and Lance Coy in the 400-yard Free Relay, and Coy, Rucker, Welch, and Mark Brupbacher in the 200-yard Medley Relay.

WRESTLING

The Raider Wrestling Team had a highly successful year under Coach Craig Dornan. Grappling their way to an overall dual record of 10-3-1, the matsmen sent four members to state competition.

In team competition the team scored their first-ever tournament win at the Grace King Christmas Tournament, took second places at The Trygg and Lafayette Tournaments, a third place at the Lee High Tournament, and finished second in City, District, and Regional competition. The year was brought to a very satisfactory conclusion with a third place finish at the State Tournament, the best finish in over ten years.

On an individual basis Chris Brouillette held the best record, Alan Abboud was District and Regional champ and State runner-up (139 lbs.), Kevin Abboud was Regional champ (275 lbs.), David Della Valentina was Regional champ and fourth in state (171 lbs.), Rick Ely was a state runner-up (145 lbs.), and Scott Veitinger was State champion (103 lbs.).

BASEBALL

State Champions! These are the two most beautiful words in high school athletic competition. And this year they were the two most often repeated words on campus as May rolled to its end and the Raider Baseball Team, coached by Mr. Larry Schneider and Mr. Roch Weilbaecher, rolled to the title.

Pre-season play began in February, and the team's success foreshadowed good things to come. Potent Raider batsmen left opposing pitches with bad memories, and hot Raider gloves frustrated would-be baserunnes.

After winning the Bonnabel Jamboree, the Raiders took three straight, from East Jefferson, Mandeville, and H.L. Bourgeois. The Hammond and Bonnabel Tournaments were next, and Rummel knocked out East St. John, South Terrebonne, Destrehan, Curtis, and Hammond with an ease that seemed almost frightening — outscoring them three to one.

District play opened on the same high note, with a 8-0 victory over St. Augustine, but pessimism reared an ugly head as losses to Brother Martin, Holy Cross, and Shaw yanked the Raiders back to reality. But Raider Pride often functions best under pressure, and arch-rival Jesuit succumbed to it 3-2 as Schneider's

men got back on the beam.

Six straight wins followed, as Chalmette, DeLaSalle, St. Augustine, Brother Martin, Holy Cross, and Shaw fell to the determined Raiders.

The team was 8-3 in district play as they met Jesuit again in mid-April and took their worst shellacking of the year when the Jays handed them a 3-13 revenge. However, the loss was only a temporary setback; the Raiders proceeded to drop Chalmette and DeLaSalle in the last two games, to end the season at 10-3.

Although losing once more to Jesuit and then to Chalmette in the playoffs, Rummel's record was still good enough to earn the team a trip to the state playoffs, and it was there that their mettle was tested and found anything but wanting.

Burckel also pitched a 7-1 record and was named to the All-District and All-Metro teams. Sophomore slinger Moreci tossed an impressive 12-2, including two critical wins at the state level, made the All-District and All-Metro squads, and was named the MVP at the state competition.

CHEERLEADING

Evoking spirit at pep rallies and athletic events and earning honors in competition, the Raider Cheerleaders are one of the most active groups on campus. Coached by Ms. Charlene Suter and moderated by Br. Bill Ray, the sixteen-member squad attended the UCA camp at Southeastern Louisiana University during the summer. The Raider contingent won first place in the cheering chant contest, was voted the most spirited, and took eight superior ribbons. The girl members were first overall in the pom-pom competition. In February, the cheerleaders helped to host the "Breakfast of Champions" which raised money for the Leukemia Society. At the event members escorted both local and Olympic athletes to breakfast. Two year veteran Gary Breaux served as captain, and Aimeé Hardin, a member for three years, was the girls coordinator.

ACADEMIC GAMES

Once again, the Academic Games Team turned in a successful year in both city and district competition.

In the final week of competition, seven members journeyed to Atlanta to participate in the National Academic Games Tournament.

In the ninth and tenth grade brain battles, the junior team finished second in On-Sets and fourth in Equations, thereby taking a third in Overall Math. The team members were Michael Brenes, John Naquin, Robbie Portinari, Chris Scully, and David Vitrano.

In individual competition sophomore John Naquin was national runner-up in On-Sets and captured third place in Overall Math.

Brother John Larose continued his highly successful career as moderator of the Raider brain-trust.

LEADERSHIP DAY

Each year Jefferson Parish sponsors a Youth Leadership Day to honor the outstanding student leaders in the community. Four students are chosen from each high school in the parish. This year, Leadership Day consisted of a banquet for the young leaders on May 9, and a tour of Avondale Shipyards and the 911 Emergency Service on May 10. Rummel's selectees were Paul Brady, Kevin Guitterrez, Paul Killian, and Ralph Littolff.

BAND

A

C

Under the direction of Messrs. Tony Frigo and Jim Weber, the Raider Band again displayed the extent of musical talent here at Rummel.

At the Denham Springs Marching Band Festival, the musicians received an Excellent rating for marching band and superior ratings in colorguard, percussion, and drum major categories. The Jazz Band scored a superior in performance and an excellent in sight reading at the Loyola University Jazz Ensemble Festival.

In March the Raiders attended the LMEA District VI Large Ensemble Festival, where the Concert Band took a sweepstakes rating, scoring superiors in performance and sight reading. This finish earned the Raiders their fourth consecutive trip to the State festival.

In April at the State Festival, the Concert Band re-

ceived excellent ratings in performance, bringing home a certificate of excellence.

When the musicians weren't carrying Rummel's banners high in competition, they somehow found time to entertain at pep rallies, present both a Christmas and Spring Concert, and march in five Mardi Gras parades.

A particularly impressive addition to the year was the band's (and Chapellette's) appearance at the Magic Kingdom Main Street Parade at Disneyworld in February.

LATIN

Amo, amas, amat . . . Latin. For the first in its history, Rummel offered this classical language in its curriculum. And halfway through the year, avid Latin I students requested the formation of a Latin Club. Moderated by Mrs. Chris Struppeck, the infant organization visited the Carthage Exhibit at the New Orleans Museum of Art, and members and their parents attended the Latin Mass at St. Patrick's in May. First year officers were president Mike Guidry, vice-president Chris Finney, and secretary/treasurer Jeremy Brouillette.

Furthering their knowledge of both the German language and the traditions of that ancient country, the German Club enjoyed another event-filled year. Under moderator Frau Chris Struppeck, the members took part in the annual *Oktoberfest* at *Deutsches Haus*, an interschool German club volleyball tournament, and the annual German Christmas Mass. Members Ricky Goetz and Ty Ovella were sent as exchange students to Germany over the summer, and Georg Fischer, a native of Germany, lent his language skills to improve those of his fellow members.

GENESIANS

Under the proscenium of the Genesian Theater, Raiders are given the chance to step outside of themselves and become, at least for a while, a completely different person. Under the direction of Mr. Chuck Guajardo and the technical guidance of Mr. Bob Roso, Rummel's acting contingent, along with girls from various schools and, this year, alumni and faculty, produced three very different plays.

In October the deadly serious subject of murder, personal responsibility, and free will were examined in *Compulsion*. The drama, based on the famous crime and trial of Leopold and Loeb in the 1920s, featured a cast of students, faculty, and alumni. Anthony D'Arensbourg, Jeremy Lampo, and James Bates played the lead roles.

The second production, in January, saw a comical change of pace, as the Genesians performed Neil Simon's *Barefoot in the Park*, a lighthearted look at the travails of newlyweds living at the top of a very long flight of steps. Kacie Wolfe, Kevin Willis, Chad Barker, and Amy Costanza led the talented cast.

May was a time for music and monsters, when the comically creepy *Little Shop of Horrors* slithered onto stage for the season finale A spoof of 50s sci-fi movies, the play featured a large cast of some very talented singers and actors, double-cast in all major roles, a lively combo, an elaborate and colorful set, and a villainous plant from beyond the stars. Scott Arroyo, Brandt Blocker, Amy Coney, and Amy Haydel alternated in the leads.

CAMPUS MINISTRY

Now in its seventh year as part of the Rummel community, Campus Ministry boasts a membership of seventy-three. Under the guidance of Br. Louis Welker and Fr. Randy Roux, the group plans morning prayers and days of recollection, helps with the Thanksgiving Food Drive and Adopt-a-Family program, and assists in the planning of school Masses. For the first time the members also helped with the Mother-Son Rosary, the Father-Son Mass, and the St. Joseph Day Altar.

MU ALPHA THETA

Mu Alpha Theta, whose members enjoy delving into mathematical mysteries, had a memorable year. Moderated by Mr. David Rodriguez, the team opened competition at the Baton Rouge Magnet High School Math Tournament.

Rummel's Ciphering Team finished well, taking 2nd in Algebra II, 1st in Advanced Math, and 3rd in Calculus. Also, the Equations Team won 2nd and the On-Sets Team captured 1st place. The Chess Team finished 7th, and on the Interschool Test, the Rummel contingent finished 2nd.

In individual tests, Terence Scipione finished 10th in Algebra II, Paul Killian was 10th in Advanced Math, Stephen Wong took 6th in Trigonometry, John Eble was 2nd in Calculus, and David Vitrano and John Naquin finished 2nd and 4th respectively in Potpourri. These finishes earned Rummel a 3rd place overall finish in the tournament.

A week later, the team travelled to New Iberia to participate in the Catholic High Math Tournament, where they finished 2nd in Geometry, and 1st in both Equations and On-Sets. The Pentathalon Team captured 5th place.

On individual tests, Scipione took 3rd in Algebra II and Bernard Lacour won 2nd in Calculator II, finishes which gave Rummel 5th place at the tourney.

The high point of the year was the annual State Convention, held this year at the Hyatt and the Superdome. The Equations Team finished 2nd; the Chess Team took 6th; the On-Sets Team A captured 2nd and Team B, 3rd; the Junior Ciphering Team A finished 4th and Team B, 10th; and the senior Ciphering Team A took 4th place in the non-calculus competition and 6th in the calculus competition.

Rummel also fared well in the individual tests. Paul Haulard was 5th and Lawrence Butler, 10th in Geometry; Ryan Palmer finished 8th in Advanced Math I; John Eble was 1st and Bernard Lacour, 9th in Calculus; and John Eble finished 3rd out of 300 on the Senior Scholarship Exam.

Rummel finished 7th in the banner competition and place 4th on the Interschool Test, earning the school second place in the state.

STUDENT COUNCIL

The motive force behind most student activities at Rummel is the Student Council. School dances, the Rummel-Chapelle Volleyball Challenge, intramurals, Student Council Week---all these and many more depend on the efforts of this tireless group. The student leaders also served as the presidential school of the Louisiana Association of Student Councils. John Eble was president; Anthony Turley, vice-president; David Lowe, secretary; and Mike Chepolis, treasurer. Mrs. Mary Ann Robarts was the moderator.

JUNIOR ACHIEVEMENT

"Money makes the world go 'round . . . " Well, perhaps not, but a group of Raiders did learn much about our free enterprise economic system as they participated in Junior Achievement. Under the direction of local businessmen, the group dabbled in basic capitalism as they decided on a product, sold stocks, helped in manufacturing and selling, and shared in the profits.

LIBRARY

One of the most energetic volunteer groups on campus is the Library Club. With a fifty percent increase in their numbers, members gave up their free time to assist the school librarians in managing the massive flow of library materials. In addition, they found time to develop the first manual for the club, draft its first constitution, attend library science lessons, and visit the St. Charles Parish Public Library and Planetarium. Three members, Darren Fleming, Tim Turner, and Ryan Madere, attended the State Library Convention. Darren Fleming was honored as the outstanding member. Ms. Geralyn Eisler moderated this active group.

INTERACT

A new organization and an expanded tradition of service were born at Rummel this year. Interact, which works in concert with the local Rotary Club, involved its members in community activities such as fund-raising for Covenant House and assisting at the Olympics for the Deaf. Members also attended a convention in Biloxi. Kevin Willis served as president, and Mike Chepolis as vice-president. Brother Richard Kovatch moderated the group.

Mr. Joe Serio's Journalism class spent yet another year interviewing, writing, and planning as they published the *Raider's Digest*. In addition to the labor involved in creating the four issue newspaper, the young reporters also toured the facilities of the *Times Picayune* to get insights into the work of professional journalists. David Lowe held down the post of editor-in-chief, and Mike Hebert and John Humbrecht were managing editors.

YEARBOOK

Whether its simple lunchtime activities or graduation, one can rest assured that the Raider Yearbook staff will cover any activity on and off campus. Made up of select juniors and seniors, the Raider historians photograph, design layouts, and print pictures to make the best possible yearbook. Under the leadership of advisors Mr. Bill Arthurs and Mr. Tom Rice, and the direction of editors John Cognevich and David Kondroik, the 1988-89 Yearbook staff put in many hours to prepare the twenty fourth edition of "The Raider."

ALUMNI

Members of the Rummel Alumni Association again enjoyed a most productive year. They began the year by serving as escorts of the Homecoming Court and ended it with the annual Raider Phonathon. During the spring the alumni sponsored class reunions for grads who finished Rummel five, ten, fifteen, and twenty years ago. The get-togethers included crawfish boils, cocktail parties, and river cruises. Chairman of this year's association was Phil Sprick, '74, and Mr. Joe Serio again held down the post of alumni director.

An integral part of the Rummel community is the Parent Boosters. Working in tandem with the administration, faculty, and student body, the group contributes countless hours to projects bettering the school. IN MEMORIAM

DO NOT STAND AT MY GRAVE AND CRY.
I AM NOT THERE — I DID NOT DIE.
I AM THE DIAMOND GLINT ON SNOW.
I AM THE SUNLIGHT ON RIPENED WHEAT.
I AM THE GENTLE AUTUMN RAIN.
WHEN YOU AWAKEN IN THE MORNING, HUSH -
I AM THE SWIFT RUSH OF BIRDS IN FLIGHT.
I AM THE SOFT STARS THAT SHINE AT NIGHT.
I AWAIT YOU - I PRAY FOR YOU - PRAY FOR ME.

DO NOT STAND AT MY GRAVE AND WEEP.
I AM NOT THERE — I DO NOT SLEEP.
I AM A THOUSAND WINDS THAT BLOW.
I AM WHEREVER MY GOD SAYS GO.
I NEED NEVER KNOW — FOR MY TRUST IS IN HIM.
TO BE IN HIS SHADOW IS MY CONSTANT PRAYER.
FOR THERE I AM SAFE FOR ALL ETERNITY.

WE WILL MEET AGAIN
